Welcome to new and old participants to Tuggeranong Valley Cricket Club In2 Cricket (formerly Have-A-Go/Have-A-Game) program.

Changes for 10-11 Season

Name

Since last year, Cricket Australia has changed the name from Have-A-Go (HaGO)/Game (HAGA) to In2 Cricket in an effort to focus on the real reason for this program – to introduce the young into the various forms of cricket.

Fees

Fees are being increased from \$55 to \$60 (incl GST) this year as a result of increased costs for the kits provided to the kids. The fees cover ground hire, insurance, presentations (trophies and food) and the kid's kits.

Location/Times

It is proposed to hold the cricket on a Friday evening from 6:00pm – 7:00pm (HaGO) and 6:00pm – 7:30pm (HAGA) at Chisholm and Friday 6:00pm – 7:00pm (HaGO) at Conder – depending on the numbers. Other times will depend on parent participation.

Volunteers

As with all kids sport, volunteers are needed to make things happen. We need parents to:

- coach the kids (at least one per team);
- assist with the collection of fees and registrations (at least one per location) once the season commences; and
- assist with the Committee (meeting once a month).

We will be having a pre-season coach's session to help all the parents who volunteer understand what to do and introduce some of the games/skills. Coaching isn't as daunting as people think and the kids get a real kick out of having their parents involved
